

Proskauer Summer Associates Join with GrowNYC for a Day of Service on Governor's Island

New York summer associates left the office behind for a service day on Governors Island with GrowNYC. At Proskauer, we are proud to support nonprofits aimed at improving the lives of our NYC neighbors, and happy for the opportunity to give back with our summer associates. GrowNYC helps New Yorkers by providing essential services and taking action to make NYC a truly livable city, one where every person can flourish.
