

Proskauer Advises on IPO of Antin Infrastructure Partners

October 12, 2021

October 12, 2021 (London) – Proskauer, a leading international law firm, has advised Antin Infrastructure Partners (Antin) on certain aspects related to its initial public offering on the Euronext Paris Stock Exchange.

The transaction represents the largest IPO on Euronext Paris this year.

Antin Infrastructure Partners specialises in the acquisition of majority shares in infrastructure companies operating in the energy and environment, telecommunications, transportation, and social infrastructure sectors.

The IPO values Antin’s market capitalisation at €4.1 billion and will enable Antin, one of the world’s leading infrastructure investment firms to accelerate growth and diversify its investment portfolio.

The Proskauer team was led by tax partner [Stephen Pevsner](#) and private funds partner [Warren Allan](#) and included private funds associate [Se Young \(Sisi\) Kim](#).
