

# Growing Pains: A Virtual Secondaries Roundtable Discussion

**Buyouts Magazine** on **December 1, 2021**

Private Funds partner [Mike Suppappola](#) recently had the chance to partake in *Buyouts Magazine's* inaugural secondaries virtual roundtable discussion as he and other leading industry participants shared insights on GP-led deals, the resurgence of LP portfolio sales and the general state of the secondaries market. During this roundtable discussion, Mike and participants address current market topics such as the red hot GP-led market, the return of LP portfolio sales, recent trends in pricing and terms, and talent retention in an increasingly competitive secondaries industry.
