

# Mastering GP-Led Processes

**Private Equity International** on **March 1, 2022**

Co-head [Howard Beber](#) and Partner [Warren Allan](#) from our Global Private Funds team recently sat down with *Private Equity International* to discuss the robust processes involved with successful execution of GP-led transactions. During this interview, Howard and Warren discuss the due diligence process, deal terms, challenges and key considerations that sponsors should be aware of when embarking into these complex and nuanced transactions.
