June 24, 2022

**LONDON, June 24, 2022** – Proskauer, a leading international law firm, has advised Toscafund, one of Europe’s leading growth equity investment firms for financial services companies, on its participation as lead investor in a \$45million fundraising round for INSTANDA, a UK-based insurance services platform catering for insurance carriers, MGAs and insurance brokers globally.

The funds will be used to grow the company’s geographical presence in Europe, US, Japan and the UAE, as well as to rapidly augment platform capabilities including developing the existing ecosystem into a future-proofed marketplace.
