

Undercapitalization Slows Secondaries Activity: A Roundtable Discussion

Buyouts Magazine on **December 2022/January 2023**

Private Funds Partner [Chris Robinson](#) recently had the chance to partake in *Buyouts Magazine's* secondaries roundtable discussion as he and other leading industry participants shared insights on the recent slowdown in the secondaries market as a result of a difficult fundraising environment. During this roundtable discussion, Chris and participants address the challenges of undercapitalization, as well as their unanimous belief that activity will soon rebound subsequent to today's slowdown, which only fuels a strong uptick as a result of pent up demand.
