Diversity, equity and inclusion are at the heart of Proskauer's culture. As we strive to strengthen a collaborative, supportive and inclusive work environment, Proskauer continues to refine and optimize our integrated approach to recruiting, retaining and promoting a diverse workforce. Our overarching goal is to deliver lasting positive change for our Firm, communities and industry while also continuing to deliver the best for our clients.

Our DEI Impact Report is another way we look to be open and accountable. We are proud of our accomplishments and remain dedicated to further growth.
