Firm Earns Top Marks for Leadership and Talent Pipeline, Business Innovation and Strategy, and Diversity and Inclusion in the Community

NEW YORK, July 26, 2023 - Proskauer, a leading international law firm, is delighted to announce that it has been named to *Bloomberg Law's* annual Diversity, Equity and Inclusion (DEI) Framework. This is the second time Proskauer has been named to the annual list that recognizes law firms that meet or exceed a rising standard for DEI in their firm. The Firm earned top marks in disclosure, business innovation and strategy, marketing and diversity and inclusion in the community, and leadership and talent pipeline.

"We have implemented several impactful programs and initiatives that foster a culture where everyone belongs and has the opportunity to connect with each other," said Mark Bunbury, Jr., Proskauer's Director of DEI. "Creating a sense of belonging is integral to our lawyers' success and our DEI efforts really help to move to our culture forward - from supporting the career progression of diverse lawyers to relationship building and mentoring opportunities."

Proskauer was recognized for its level of disclosure of diversity-related metrics and distinguished performance and this recognition follows several workplace-, culture- and DEI-focused awards for Proskauer.
