

The Countdown Starts: Compliance Dates Set for Private Fund Adviser Rules

The Capital Commitment on September 14, 2023

Earlier today, the SEC's Private Fund Adviser Rules were <u>published in the Federal</u>

Register. As with all federal regulations, publication in the Federal Register begins the countdown to the Rules' compliance dates. These dates are listed in the table below.

Please see our prior alerts for <u>an overview of the Rules' provisions</u>, <u>a summary of their applicability to non-U.S. investment advisers</u> and <u>a discussion of a legal challenge to the Rules that was recently filed by six trade associations</u>.
