Douglas B. Frank is the administrative co-head of the Los Angeles office and partner in the Real Estate Department. His practice focuses on real estate private equity investment, real estate related joint ventures, secured lending, mezzanine lending and structured finance activities, as well as real estate acquisition and sales transactions.

Doug advises private equity investors and real estate advisors with respect to a broad scope of real estate investments – particularly in the areas of acquisition and disposition of core real estate properties, and joint ventures for the development, construction, financing and operating of office, retail, multifamily, condominium, hospitality and industrial projects.

Doug also has 25 years of experience representing commercial banks, life insurance companies, fund investors and advisors, and pension funds with respect to real estate-secured lending and structured finance activities for land acquisitions and construction. He has represented lender clients in connection with their permanent, term, revolving, workout, conduit/securitization, and mezzanine financings transactions.

Matters

Representative Transactions
