itrouyet@proskauer.com

Ilona Trouyet is an associate in the Litigation Department and a member of the International Arbitration group.

She represents clients in complex commercial arbitration matters including post M&A and distribution agreements disputes in various industries such as aerospace, petrochemical and pharmaceutical.

Ilona earned her Master's degree at Sciences Po Law School, during which she majored in commercial litigation and international arbitration. Prior to joining Proskauer, Ilona interned for two years in several law firms and international arbitration boutiques in France and the UK. She also spent a year working as a legal consultant for the World Bank's Global Forum for Law, Justice and Development.

Ilona is fluent in French, English and Italian.
