Jeremy Scemama is an M&A partner and member of the firm's Private Capital industry group.

Jeremy has been working for more than 20 years with listed and non-listed industrial and services groups on their corporate finance operations, restructuring and external growth operations.

Jeremy also advises investment funds on leveraged buyouts, venture capital and development capital transactions.

While working for corporate groups and investments funds, he has developed an extensive experience in transactions involving securities matters (tender offers, pipe transactions, squeeze out, public to private transactions).

Jeremy's clients include Montefiore Investment, PAI Partners, The Carlyle Group, MML Capital, Alpha Private Equity, European Camping Group, Worldline, and Groupe Premium.
